**PRESS RELEASE: MIDVAAL DONATES EDUCATIONAL TOOLS – LAKESIDE**

**Midvaal, Gauteng – 08 APRIL = HANDOVER TO IKUSASA BOKAMOSO PRESCHOOL**

Preschool education is a vital aspect of a child's learning and development. It helps expand the range of children's learning experiences and children become more confident, enthusiastic and eager learners who later on become successful persons in life.

Midvaal Executive Mayor, Cllr. Timothy Nast believes that children are the future of any country and supports initiatives which assist children in developing the right attitude and aptitude which will see them achieve success during the later period of their lives.

On Thursday, 07 April 2011 Cllr. TK Nast donated education tools worth over R5000 to the Ikusasa Bokomo Day Care and Preschool in Lakeside. The Ikusasa Preschool is run by Zoleka Mphela who, like the Mayor, believes that preschool is the foundation of education. Ms Mphela was appreciative of Midvaal's continued assistance and thanked the Mayor on behalf of the parents and the learners.

The Executive Mayor identified a need for a library in the community, which he is very passionate about as libraries area a safe haven for children to do homework, read and have access to computers which are the way of the future. In closing the Mayor thanked the teachers who do a wonderful job of grooming the future leaders of this country.
