## **MIDVAAL DONATES 200 GIFT BAGS TO UNDERPRIVILEGED CHILDREN**

**Meyerton, Gauteng – 10 DECEMBER 2009 = 16 DAYS OF ACTIVISM**

Issued to: All Media

Underprivileged children in the Midvaal area received a special delivery from Santa this year thanks to Midvaal Local Municipality.

The Midvaal Local Municipality in association with the De Deur SAPS, Sector two Community Police Forum and De Deur Community Members provided gift bags filled with Christmas treats to less fortunate children in the area. For some children this may be the only present that they receive.

The community impact generated by the activities on the day continues to prove that harnessing the charitable spirit of our people, we can reach out and uplift hundreds of youngsters who are in need.

The festive sentiment of generosity, particularly to those less fortunate than ourselves, is one that Midvaal Local Municipality has not lost sight of.
