MIDVAAL MAKITI

Meyerton, Gauteng – 04 DECEMBER 2009 = MIDVAAL MAKITI

Issued to: All Media

The highly anticipated Midvaal Makiti street festival took place on Friday, 04 December 2009. It is held not only to stage a community event but to promote local economic development.

Despite the rain, the community attended in large numbers. The public have taken to this event and it was wonderful for Midvaal to see the community coming together to celebrate this annual festival.

The Makiti has been a sell-out in terms of exhibitors and there is a real buzz throughout Gauteng regarding this event. This event showed itself once again to be a magnet for the public.

The Makiti was extremely successful and could not have been done without the cooperation and assistance of Midvaal Municipality staff and our major sponsors: SAB, VCR 90.6FM, Eye of Africa, BBP Security, ABSA, PCN Printers and many more.

We look forward to hosting a bigger and better Makiti in 2010!
