

## **MIDVAAL HOSTS ANOTHER SUCCESSFUL CYCLE RACE**

---

The Riverside Rotary Club hosted the Fast One Cycle Race, previously known as the Hyper to Hyper cycle race at the Midvaal Race Track in Meyerton on Sunday 30 January 2011.

The move to Midvaal resulted in an exciting and compelling race due to the challenging route. What was also very pleasing is that nearly 5000 cyclists participated in the race which bodes very well for the future of the sport.

Proceeds from the race will go towards benefiting community projects in the Vaal.

Midvaal would like to thank the community, racers, organisers, sponsors and spectators who came out to enjoy the beautiful weather and fast racing that provided a great start to the 2011 racing season!
