JUNIOR CITY COUNCIL CLEAN UP CAMPAIGN

Midvaal, Gauteng – 02 AUGUST 2010 = MIDVAAL CLEANS UP!

Issued to: All Local Media

On Saturday, 31 July 2010 the Junior City Council led by the Speaker of Midvaal Local Municipality Cllr. Ron Smit cleaned up the streets of Meyerton. The aim of the campaign is to educate people about the importance of keeping the environment clean. The environment is an issue that affects every person regardless of race, religion or political affiliation.

Loch, Verwoerd and the Vlei were the areas that we cleaned during the campaign. More than twenty bags of rubbish were collected; the good news is that this is less than previous years which means that residents are getting the message that we need to protect the environment.

Council will embark on clean up campaigns throughout the year in an effort to encourage people to play an active role in the restoration of the environment.
