PUBLIC NOTICE

Investigation of the Feasibility of an External Service Delivery Mechanism in respect of the Electricity Distribution Services

In terms of the provisions of Section 78(3) (a) of the Local Government: Municipal Systems Act, 32 of 2000, the Midvaal Local Municipality hereby makes known that it intends to explore the feasibility of an external delivery mechanism for the management, operation and maintenance of its electricity distribution services.

The feasibility study is in accordance with a Council decision and KR Consulting has been appointed to do the study.

Members of the community and other interested and affected persons are invited to meetings aimed to inform the community of the reasons and purpose of the feasibility study with regard to external delivery mechanisms and to obtain the community's input. Only areas supplied by Midvaal Local Municipality will be affected. (Eskom areas are excluded).

The meetings will be held on 29 January 2018 in the Meyerton Town Hall as follows:

- Businesses – 16:30
- Residents – 18:30

Enquiries can be directed to Mr Johan Dreyer, Tel: 016 360 5810 and e-mail: johand@midvaal.gov.za
