**NOTICE – CANNER ROAD PROGRESS  
HOMESTEAD APPLE ORCHARDS, IRONSYDE, SAVANNA CITY RESIDENTS  
JUNE 2020**

Notice is hereby given on the planned programme for the construction of Canner Road Homestead Apple Orchards AH.

- Canner Road being the main East West link road to the Savanna City Development in the first phase is currently on programme for completion.
- Please take note that the initial completion date of Canner Road was scheduled for the end of May 2020. Due to the COVID-19 pandemic construction was delayed for 8 weeks.
- Due to COVID-19 legal health and safety regulations the Contractor may only conduct construction at 1/3 of its usual capacity of employment delaying completion due to decreased work capacity.
- The revised completion date for the completion for Canner Road and for public use is scheduled for the end of August 2020.
- The construction of the R82 intersection is still on hold as the Developer is awaiting the wayleave approval from Gautrans to commence construction. Should the wayleave approval not materialize before the end of August 2020 then the public may not access Canner Road via the R82. When approval is received the construction of the R82 intersection will be 32 working days.
- Alternative access roads to the affected areas have been in use and the Municipality will maintain these roads with the resources available.

We apologise for the inconvenience and thank you for your patience during the execution of this essential work. The Developer has assured the Municipality that everything possible will be done to finalize the construction of this road on time.

Please contact Midvaal's Call Centre on 0861 643 8225 (0861MIDVAAL) or WhatsApp 084 582 5466, should you have any further queries in this regard.
