Midvaal Local Municipality

Dear Sir / Madam,

REQUEST TO GRANT PERMISSION TO RESOLVE CONSULTING TO INSTALL A WATER PRESSURE LOGGER ON SELECTED STANDS IN AREAS WITHIN THE MIDVAAL LOCAL MUNICIPALITY AREA: CONTRACT NUMBER: 8/2/2/188-RE(2016-2018): SUPPLY, INSTALLATION AND MAINTENANCE OF PRESSURE REDUCING VALVES AND RELATED EQUIPMENT (SPECIALS) ON AN AS-AND-WHEN REQUIRED BASIS

Midvaal Local Municipality has embarked on projects to reduce water losses in its area of jurisdiction. In this regard, the Engineering Services Department has appointed Re-Solve Consulting (Pty) Ltd to assist in achieving this goal.

Re-Solve Consulting has been tasked to do pressure logging within the low-and high-lying areas of each water pressure zone in the Midvaal Area. This exercise on selected stands will assist in establishing high pressures in the reticulation system which could cause pipe bursts and unnecessary water wastage. Your assistance is required by granting Re-Solve Consulting permission to access your property when they move through your area, to install a Water Pressure Logger / Recorder for a period of approximately two weeks.

The Pressure Loggers will not affect your water supply nor will it affect your billing. It will be installed on an outside tap and you will still be able to use the tap after the Logger has been installed.

The Re-Solve Consulting Teams are easily identifiable as they will be carrying ID Cards and they will also present you with this Official Letter, duly signed off by the Municipal Manager. They will be driving around in a Re-Solve branded Company Vehicle as per the photo below.

Should you have any further queries regarding the matter, please feel free to contact:

- Connie Ras @ 082 828 1312 from Re-Solve Consulting (Project Manager), or alternatively you may contact
- Duncan Mkhonto @ 016 360 5813 / 078 423 8009 from Midvaal Local Municipality, Engineering Services Department.

Your corporation in this regard will be highly appreciated. You are welcome to retain a copy of this letter for reference purposes.

Yours Faithfully,

**A.S.A. DE KLERK
MUNICIPAL MANAGER**
