1. **SCOPE**

This policy establishes the Midvaal Local Municipality's policy for infrastructure procurement and delivery management in accordance with the provisions of the regulatory frameworks for procurement and supply chain management. It excludes:

- a) the storage of goods and equipment following their delivery to Midvaal Local Municipality which are stored and issued to contractors or to employees;
- b) the disposal or letting of land;
- c) the conclusion of any form of land availability agreement;
- d) the leasing or rental of moveable assets; and
- e) public private partnerships.

2. **TERMS, DEFINITIONS AND ABBREVIATIONS**

2.1 **TERMS AND DEFINITIONS**

For the purposes of this document, the definitions and terms given in the standard and the following apply:

agent: person or organisation that is not an employee of Midvaal Local Municipality that acts on the municipality's behalf in the application of this document

authorised person: the municipal manager or chief executive or the appropriately delegated authority to award, cancel, amend, extend or transfer a contract or order

conflict of interest: any situation in which:

- a) someone in a position of trust has competing professional or personal interests which make it difficult for him to fulfil his duties impartially,

standard: the latest edition of the Standard for Infrastructure Procurement and Delivery Management as published by National Treasury

working day: any day of a week on which is not a Sunday, Saturday or public holiday.

2.2 ABBREVIATIONS

For the purposes of this document, the following abbreviations apply

CIDB: Construction Industry Development Board

GCC: General Conditions of Contract

JBCC: Joint Building Contract Committee

SARS: South African Revenue Services

3. GENERAL REQUIREMENTS

3.1 Delegations

3.1.1 The Council of Midvaal Local Municipality hereby delegates all powers and duties to the accounting officer which are necessary to enable the accounting officer to:

- a) discharge the supply chain management responsibilities conferred on accounting officers in terms of Chapter 8 or 10 of the Local Government Municipal Finance Management Act of 2003 and this document;
- b) maximise administrative and operational efficiency in the implementation of this document;
- c) enforce reasonable cost-effective measures for the prevention of fraud, corruption, favouritism and unfair and irregular practices in the implementation of this document; and
- d) comply with his or her responsibilities in terms of section 115 and other applicable provisions of the Local Government Municipal Finance Management Act of 2003 Act.

3.1.2 No deviation shall be made from the provisions of this policy without the approval of the Accounting Officer .

3.1.3 The Accounting Officer shall for oversight purposes:

- a) within 30 days of the end of each financial year, submit a report on the implementation of this policy to the council of Midvaal Local Municipality;
- b) whenever there are serious and material problems in the implementation of this policy, immediately submit a report to the Council;
- c) within 10 days of the end of each quarter, submit a report on the implementation of the policy to the Mayor; and
- d) make the reports public in accordance with section 21A of the Municipal Systems Act of 2000.

3.2 Implementation of the standard for infrastructure procurement and delivery management

3.2.1 Infrastructure procurement and delivery management shall be undertaken in accordance with the all applicable legislation and the relevant requirements of the latest edition of the National Treasury Standard for Infrastructure Procurement and Delivery Management. Any deviation to the provisions of this standard must be reported to National Treasury and the relevant treasury.

3.2.2 Pre-feasibility and feasibility reports are required where the project is a major capital project which is not standardised, and the risk of failing to achieve time, cost and quality objectives is relatively high.

3.3 Supervision of Project Management unit

The Project Management Unit shall be directly supervised by the Executive Director: Engineering Services.

3.4 Objections and complaints

Persons aggrieved by decisions or actions taken in the implementation of this policy, may lodge within 14 days of the decision or action, a written objection or complaint against the decision or action.

The date of the decision or action referred to above will be the day the results were advertised on the municipality's website.

3.5 Resolution of disputes, objections, complaints and queries

3.5.1 The accounting officer shall appoint an independent and impartial person, not directly involved in the infrastructure delivery management processes to assist in the resolution of disputes between the municipality and other persons regarding:

- a) any decisions or actions taken in the implementation of the supply chain management system;
- b) any matter arising from a contract awarded within the municipality's infrastructure delivery management system; or
- c) to deal with objections, complaints or queries regarding any such decisions or actions or any matters arising from such contract.

3.5.2 The SCM and or the Legal official shall assist the person appointed in terms of 3.5.1 to perform his or her functions effectively.

3.5.3 The person appointed in terms of 3.5.1 shall:

- a) strive to resolve promptly all disputes, objections, complaints or queries received; and

- b) submit monthly reports to the accounting officer on all disputes, objections, complaints or queries received, attended to or resolved.

3.5.4 A dispute, objection, complaint or query may be referred to the Gauteng Provincial Treasury if:

- a) the dispute, objection, complaint or query is not resolved within 60 days; or
- b) no response is forthcoming within 60 days.

3.5.5 If the Gauteng Provincial Treasury does not or cannot resolve the matter, the dispute, objection, complaint or query may be referred to the National Treasury for resolution.

3.6 Amendment of the policy

3.6.1 The accounting officer must –

- (a) at least annually review the implementation of this Policy; and
- (b) when the accounting officer considers it necessary, submit proposals for the amendment of this Policy to the **council**

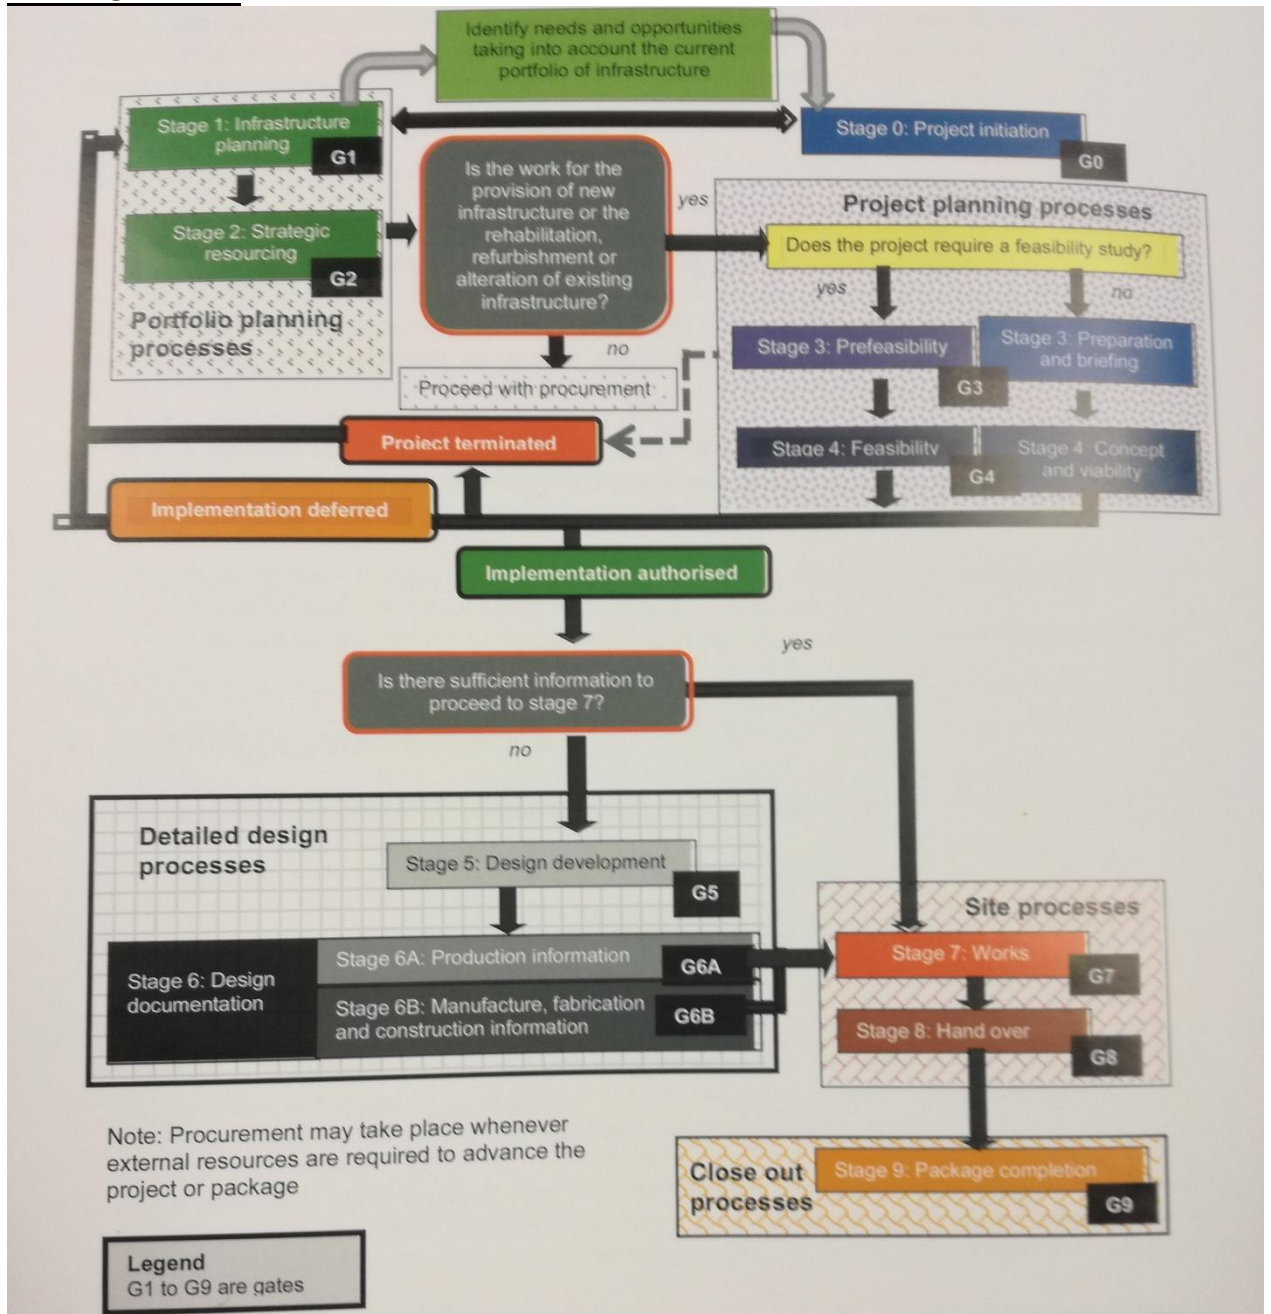

3.6.2 If the accounting officer submits proposed amendments to the **council** that differ from the model policy issued by the National Treasury, the accounting officer must

- (a) ensure that such proposed amendments comply with the Regulations; and
- (b) report any deviation from the model policy to the National Treasury and the Gauteng Provincial Treasury.

3.6.3 When amending this policy the need for uniformity in supply chain practices, procedures and forms between organs of state in all spheres, particularly to promote accessibility of supply chain management systems for small businesses must be taken into account.

3.6.4 The draft policy should be forwarded to the Gauteng Provincial Treasury: Policy, Norms and Standards component before tabling to the Municipal Council for approval.

4 CONTROL FRAMEWORK FOR INFRASTRUCTURE DELIVERY MANAGEMENT

4.1 Assignment of responsibilities for approving or accepting end of stage deliverables

The responsibilities for approving (officially agreeing to) or accepting (receive as adequate, valid, or suitable) end of stage deliverables shall be as stated below:

Stage		Person assigned the responsibility for approving or accepting end of stage deliverables	
No	Name		
0	Project initiation	Accounting officer accepts the initiation report	
1	Infrastructure planning	Council approves the infrastructure plan	
2	Strategic resourcing	Head of Department (HOD) approves the delivery and / or procurement strategy / procurement plan	
3	Pre-feasibility	Project manager accepts the pre-feasibility report, where applicable	
	Preparation and briefing	Project manager accepts the strategic brief, where applicable	
4	Feasibility	Project manager accepts the feasibility report, where applicable	
	Concept and viability	Project manager accepts the concept report, where applicable	
5	Design development	Project manager (End-user Director) accepts the design development report	
6	Design documentation	6A Production information	Project manager (End-user Director) / end user accepts the parts of the production information which are identified when the design development report is accepted as requiring acceptance
		6B Manufacture, fabrication and construction information	The contract manager (Head of Department) accepts the manufacture, fabrication and construction information
7	Works	The contract manager (Head of Department) certifies completion of the works or the delivery of goods and associated services	
8	Handover	The owner or end user accepts liability for the works	
9	Package completion	The Project Manager / End-user Director certifies the defects certificate in accordance with the provisions of the contract The contract manager (Head of Department) certifies final completion in accordance with the provisions of the contract Project manager (End-user Director) accepts the close out report	

The infrastructure plan (stage 1), initiation reports (stage 0), decisions made during stages 3 and 4 and work in progress in stages 5 to 9, and the procurement strategy (stage 2) shall be reviewed and updated at least once a year.

4.1.1 Stage 0: Project initiation

An initiation report which outlines the high-level business case together with the estimated project cost and proposed schedule for a single project or a group of projects having a similar high-level scope.

The initiation report for a project shall as a minimum:

- a) provide a project description and high-level scope of work;
- b) outline key issues and solution options that were interrogated;
- c) outline options that were evaluated;
- d) indicate the high-level business case; and
- e) provide the estimated project cost and indicative high-level schedule.

4.1.2 Stage 1: Infrastructure planning

The infrastructure plan for a portfolio of projects or packages which require implementation shall cover a period of not less than five years. Such a plan shall be:

- a) described by the high-level scope of work for each project, the proposed time schedule, the estimated total project cost and annual budget requirement, the geographical location, any known encumbrances and estimated timeframes for removing these encumbrances; and
- b) aligned with all prescribed planning, budgeting, monitoring and reporting requirements.

The demand for infrastructure delivery shall be managed through:

- a) the service life plans which;
 - 1) are based on:
 - an assessment of current performance against desired levels of service or functionality; and
 - a needs analysis informed by factors such as policies, norms and standards, condition assessments, functional performance, demographic trends, current and forecasted levels of optimisation; and
 - 2) reflect a cost estimate for the life cycle activities comprising acquisition, operations, maintenance, refurbishment, rehabilitation or alteration as relevant, over a minimum period of five years; and
- b) infrastructure plans which, as a minimum, summarise the service life plans and provide a credible forecast of current and net demand for services or requirements for functionality over a period of not less than ten years.

Consideration shall, where appropriate, be given to:

- a) alternative service delivery methods or means of satisfying needs which do not require infrastructure to implement or reduce the demand for infrastructure; and
- b) the disposal of infrastructure that is surplus to requirements.

Projects shall, wherever possible, be delivered in accordance with established norms and standards which are designed to yield value for money.

4.1.3 Stage 2: Strategic resourcing

A delivery management strategy shall be developed following the conducting of a spend, organisational and market analysis. Such a strategy shall indicate how needs are to be met for each category of spend through one or more of the following:

- a) a public private partnership;
- b) another organ of state on an agency basis;
- c) another organ of state's framework agreement;
- d) own resources; or
- e) own procurement system.

A procurement strategy shall document the selected packaging, contracting, pricing and targeting strategy and procurement procedure for all required goods or services or any combination thereof including professional services, including the rationale for adopting a particular option.

4.1.4 Stage 3: Preparation and briefing or Pre-feasibility

Prefeasibility and feasibility reports shall be required as end-of-stage deliverables for stages 3 and 4, respectively, where one or more of the following applies:

- a) the major capital project is required for:
 - 1) a major public enterprise where the total project capital expenditure exceeds R1,5 billion; or
 - 2) an organ of state subject to the Public Finance Management Act other than a major public enterprise where the total project capital expenditure exceeds R1,0 billion including VAT, or where the expenditure per year for a minimum of three years exceeds R250 million per annum including VAT;
- b) the project is not:
 - 1) a building project with or without related site works; or
 - 2) a process-based, somewhat repetitive or relatively standardised project where the risk of failing to achieve time, cost and quality objectives is relatively low; or
- c) it is deemed necessary during stage 2

The strategic brief shall as necessary:

- a) confirm the scope of the package and identify any constraints, including those relating to occupational health and safety;
- b) establish the project criteria, including the performance and reliability requirements, design life, service life of components, function, maintenance and replacement requirements, mix of uses, scale, location, quality, value, time, safety, health, environment and sustainability;
- c) identify procedures, organisational structure, key constraints, statutory permissions (e.g. environmental, heritage, social, planning, building control), and utility approvals, policies (e.g. environmental, developmental, social, maintenance or facilities management) and strategies to take the package forward;
- d) identify risks that need to be mitigated;
- e) identify interfaces between packages as necessary; and
- f) establish the control budget for the package, ownership costs and schedule for the package or series of packages.

The prefeasibility study shall as necessary:

- a) document the owner or user requirements specification;
- b) shortlist the options that were considered;
- c) provide a preliminary design for study options;
- d) provide preliminary capital estimate and the proposed schedule; and
- e) present the study outcomes.

4.1.5 Stage 4: Concept and viability or feasibility

The concept report shall as necessary:

- a) document the initial design criteria and design options or the methods and procedures required to maintain the condition of infrastructure for the package;
- b) establish the detailed brief, scope, scale, form and cost plan for the package;
- c) provide an indicative schedule for documentation and construction or maintenance services associated with the package;
- d) contain a site development plan or other suitable schematic layouts of the works;
- e) describe the statutory permissions, funding approvals or utility approvals required to proceed with the works associated with the package;
- f) include a baseline risk assessment for the package, and a health and safety plan which is required in terms of the requirements of the Construction Regulations issued in terms of the Occupational Health and Safety Act;
- g) contain a risk report linked to the need for further surveys, tests, other investigations and consent and approvals, if any, during subsequent stages and identified health, safety and environmental risk;
- h) contain an operations and maintenance support plan which establishes the organisational structure required for the operation and maintenance of the works resulting from the package or series of packages over its service life, and the office, stores, furniture, equipment, Information and Communications Technology (ICT), engineering infrastructure and staff training requirements;
- i) confirm the financial sustainability of the project; and
- j) establish the feasibility of satisfying the strategic brief for the package or series of packages within the control budget established during stage 3 and, if not, motivate a revised control budget.

A feasibility report shall as a minimum provide the following:

- a) details regarding the preparatory work covering:
 - 1) a needs and demand analysis with output specifications; and
 - 2) an options analysis;
- b) a viability evaluation covering:
 - 1) a financial analysis; and
 - 2) an economic analysis, if necessary;
- c) a risk assessment and sensitivity analysis;
- d) a professional analysis covering:
 - 1) a technology options assessment;
 - 2) an environmental impact assessment; and
 - 3) a regulatory due diligence; and
- e) implementation readiness assessment covering:
 - 1) institutional capacity; and
 - 2) a procurement plan

4.1.6 Stage 5: Design development

The design development report shall as necessary:

- a) develop in detail the accepted concept to finalise the design and definition criteria;
- b) establish the detailed form, character, function and costings;
- c) define all components in terms of overall size, typical detail, performance and outline specification;
- d) describe how infrastructure, or elements or components thereof, are to function, how they are to be safely constructed, how they are to be maintained and how they are to be commissioned; and
- e) confirm that the package or series of packages can be completed within the control budget or propose a revision to the control budget.

Outline specifications shall be in sufficient detail to enable a view to be taken on the operation and maintenance implications of the design and the compatibility with existing plant and equipment.

4.1.7 Stage 6: Design documentation

Stage 6A (Production information) is complete when all the production information that is required to be accepted prior to being issued for construction, manufacturing or fabrication purposes has been accepted.

Stage 6B (Manufacture, fabrication and construction information) is complete when the manufacture, fabrication and construction information is accepted as being in accordance with the production information.

4.1.8 Stage 7: Works

Stage 7 is complete when:

- a) completion of the works is certified in accordance with the provisions of the contract; or
- b) the goods and associated services are certified as being delivered in accordance with the provisions of the contract.

4.1.9 Stage 8: Handover

The handover stage shall include as necessary the training of the end user's or the owner's staff in the operation of the delivered infrastructure.

The record information shall as relevant:

- a) accurately document the condition of the completed works associated with a package;
- b) accurately document the works as constructed or completed;
- c) contain information on the care and servicing requirements for the works or a portion thereof;
- d) contain information or instructions on the use of plant and equipment;

- e) confirm the performance requirements of the design development report and production information;
- f) contain certificates confirming compliance with legislation, statutory permissions and the like; and
- g) contain guarantees that extend beyond the defects liability period provided for in the package.

Record information shall, as relevant, provide those tasked with the operation and maintenance of infrastructure with the information necessary to:

- a) understand how the designers intended the works, systems, subsystems, assemblies and components to function;
- b) effectively operate, care for and maintain the works, systems, subsystems, assemblies and components to function;
- c) check, test or replace systems, subsystems, assemblies or components to ensure the satisfactory performance of works, systems, subsystems, assemblies and components over time;
- d) develop maintenance plans;
- e) determine stock levels for components and assemblies that need to be regularly replaced; and
- f) budget for the operation and maintenance of the works, systems, subsystems and components over time.

Arrangements shall be put in place to secure and safeguard the works from the time that the contractor's liabilities for damage to the works end until such time that the works are handed over to the end user who shall accept such liabilities.

4.1.10 Stage 9: Close out

The close out report for the package shall outline what was achieved in terms of at least the following:

- a) the following performance parameters;
 1. expenditure incurred in infrastructure delivery for the financial year, against the budget made available to cover such expenditure at the start of the year;
 2. the average variance between planned and achieved completion of stages of all packages and projects;
 3. an overview of all packages where stage 7 was completed within the financial year and the total of the prices and the time for completion at the start of the contract or when the order was issued, any expansions and variations not exceeding 20%, and any amendments to the contract in terms of 116(3) of the MFMA.
 4. the average time taken to award a contract, measured from the closing date for tender submission or the final submission made in terms of a proposal or competitive negotiations procedure to a decision being taken to award the contract;
 5. the average time taken, in respect of all packages covered in the report, to complete stage 8 measured from the time that stage 7 is completed;
 6. the average difference between the total of the prices in the payment certificate that was issued following the completion of stage 7, and the total of the prices at the end of stage 9;

7. the average time taken to award a contract above the threshold for quotations, measured from the closing date for tender submission or the final submission made in terms of a proposal or competitive negotiations procedure, to the acceptance of the tender evaluation report; and
8. the average number of days that payment is later than that required under the terms of a contract.

b) unit costs of completed work or major components thereof; and

c) key performance indicators relating to developmental objectives.

The close out report shall make suggestions for improvements on future packages of a similar nature. Such a report should also comment on the performance of the contractor and, if relevant, include building tuning or similar reports.

Stage 9 is complete when, as relevant, defects certificates or certificates of final completion are issued in terms of the contract, the final amount due to the contractor in terms of the contract is certified and the close out report is accepted.

4.2 Gateway reviews

4.2.1 Gateway reviews for major capital projects above a threshold

4.2.1.1 Accounting Officer shall appoint a gateway review team to undertake gateway reviews for major capital projects equal to or above R50 million.

4.2.1.2 All major capital projects having an estimated capital expenditure equal to or above R50 million shall have a gateway review of the end-of-stage 4 deliverable, prior to the acceptance of such deliverable. The focus of such a review shall in the first instance be on the quality of the documentation, and thereafter on:

- a) deliverability (the extent to which a project is deemed likely to deliver the expected benefits within the declared cost, time and performance envelope);
- b) affordability (the extent to which the level of expenditure and financial risk involved in a project can be taken up on, given the organisation's overall financial position, both singly and in the light of its other current and projected commitments); and
- c) value for money.

4.2.1.3 A gateway review team shall comprise not less than three persons who are not involved in the project associated with the works covered by the end of the stage 4 deliverable, and who are familiar with various aspects of the subject matter of the deliverable at the end of the stage under review. Such a team shall be led by a person who has at least six years postgraduate experience in the planning of infrastructure projects and is registered either as a professional engineer in terms of the Engineering Profession Act, a professional quantity surveyor in terms of the Quantity Surveying Profession Act or a professional architect in terms of the Architectural Profession Act. The members of the team shall, as relevant, have expertise in key technical areas, cost estimating, scheduling and implementation of similar projects.

- 4.2.1.4** The relevant treasury shall be notified of a proposed gateway review for a major capital project, three weeks prior to the conducting of such a review. Such notification shall be accompanied by a brief outline of the proposed project or package, the names and qualifications of the reviewers and the timeframes for the review. The relevant treasury may nominate additional persons to serve on the review team.
- 4.2.1.5** The gateway review team shall base its findings primarily on:
- a) the information contained in the end-of-stage deliverables;
 - b) supplementary documentation, if any, provided by key staff obtained during an interview process; and
 - c) interviews with key staff members and stakeholders.
- 4.2.1.6** The gateway review team shall issue a report at the conclusion of a gateway review which indicates the team's assessment of the information at the end of a stage and provides findings or recommendations on areas where further work may be undertaken to improve such information.
- 4.2.1.7** The contents of the gateway review report shall be taken into account when accepting the stage 4 deliverable. A stage 4 deliverable shall not be accepted until such time that all code red risks have been addressed in the stage 4 end-of-stage deliverable.

5. Control framework for infrastructure procurement

- 5.1** The responsibilities for taking the key actions associated with the formation and conclusion of contracts including framework agreements above the quotation threshold shall be as stated in Table 2.
- 5.2** The responsibilities for taking the key actions associated with the quotation procedure and the negotiation procedure where the value of the contract is less than the threshold set for the quotation procedure shall be as follows:
- a) The accounting officer shall grant approval for the issuing of the procurement documents, based on the contents of a documentation review report developed in accordance with the provisions of the standard;
 - b) the authorised person may award the contract if satisfied with the recommendations contained in the evaluation report prepared in accordance with the provisions of the standard.
- 5.3** The responsibilities for taking the key actions associated with the issuing of an order in terms of a framework agreement shall be as stated in Table 3.

6. Infrastructure delivery management requirements

6.1 Institutional arrangements

6.1.1 Committee system for procurement

6.1.1.1 General

- 1) A committee system comprising the documentation committee, evaluation committee and tender committee shall be applied to all procurement procedures where the estimated value of the procurement exceeds the financial threshold for quotations and to the putting in place of framework agreements.

The evaluation committee shall, where competition for the issuing of an order amongst framework contractors takes place and the value of the order exceeds the financial threshold for quotations, evaluate the quotations received.

The persons appointed in writing as technical advisors and subject matter experts may attend any committee meeting.

No person who is a political officer bearer, a public office bearer including any councillor of a municipality, a political advisor or a person appointed in terms of section 12A of the Public Service Act of 1994 or who has a conflict of interest shall be appointed to a procurement documentation, evaluation or tender committee.

Committee decisions shall as far as possible be based on the consensus principle i.e. the general agreement characterized by the lack of sustained opposition to substantial issues. Committees shall record their decisions in writing. Such decisions shall be kept in a secured environment for a period of not less than five years after the completion or cancellation of the contract unless otherwise determined in terms of the National Archives and Record Services Act of 1996.

Committees may make decisions at meetings or, subject to the committee chairperson's approval, on the basis of responses to documents circulated to committee members provided that not less than sixty percent of the members are present or respond to the request for responses. Where the committee chairperson is absent from the meeting, the members of the committee who are present shall elect a chairperson from one of them to preside at the meeting.

- 2) 6.1.1.2 Bid Specification Committee numbering to be corrected
The Accounting Officer shall appoint in writing on a procurement by procurement basis:

- a) the persons to review the procurement documents and to develop a procurement documentation review report.

- b) Where the procurement relates to the provision of new infrastructure or the rehabilitation, refurbishment or alteration of existing infrastructure, the report shall be prepared by one or more persons who participated in the review and who are registered as:
- i. a professional architect or professional senior architectural technologist in terms of the Architectural Profession Act or a professional landscape architect or a professional landscape technologist in terms of the Landscape Architectural Profession;
 - ii. a professional engineer or professional engineering technologist in terms of the Engineering Profession Act; or
 - iii. a professional quantity surveyor in terms of the Quantity Surveying Professions Act.; and
- the members of the specifications committee.

The specifications committee shall comprise one or more persons. The chairperson shall be an employee of Midvaal Local Municipality with requisite skills. Other members shall, where relevant, include a representative of the end user or the department requiring infrastructure delivery.

No member of, or technical adviser or subject matter expert who participates in the work of the any of the procurement committees or a family member or associate of such a member, may tender for any work associated with the tender which is considered by these committees.

6.1.1.3 Evaluation committee

- 1) The Accounting Officer shall appoint on a procurement by procurement basis in writing:
 - a) the persons to prepare the evaluation and, where applicable, the quality evaluations; and
 - b) the members of the evaluation committee.
- 2) The evaluation committee shall comprise not less than three people. The chairperson shall be an employee of Midvaal Local Municipality with requisite skills. Other members shall include a supply chain management practitioner (built environment professional) and, where relevant, include an official from the department requiring infrastructure delivery.
- 3) The evaluation committee shall review the evaluation reports prepared in accordance with sub clause 4.2.3 of the standard and as a minimum verify the following in respect of the recommended tenderer:
 - i. the capability and capacity of a tenderer to perform the contract;
 - ii. the tenderer's tax and municipal rates and taxes compliance status;
 - iii. confirm that the tenderer's municipal rates and taxes and municipal service charges are not in arrears;
 - iv. the Compulsory Declaration has been completed; and
 - v. the tenderer is not listed in the National Treasury's Register for Tender Defaulters or the List of Restricted Suppliers.
- 4) No tender submitted by a member of, or technical adviser or subject matter expert who participates in the work of the procurement documentation committee or a family member or associate of such a member, may be considered by the evaluation committee.
- 5) The chairperson of the evaluation committee shall promptly notify the Accounting Officer of any respondent or tenderer who is disqualified for having engaged in fraudulent or corrupt practices during the tender process.

6.1.1.4 Bid Adjudication Committee

- 1) The bid adjudication committee shall comprise the persons or their mandated delegate
 - a) Municipal Manager who shall be the chairperson:
 - b) Chief Financial Officer
 - c) At Least 3 Senior managers (Heads of Department)
 - d) A supply Chain Practitioner if the Chairperson deems it necessary
 - e) A technical expert if the Chairperson considers it necessary

- 2) No member of the evaluation committee may serve on the tender committee. A member of an evaluation committee may, however, participate in the deliberations of a tender committee as a technical advisor or a subject matter expert.
- 3) The tender committee shall:
 - a) consider the report and recommendations of the evaluation committee and:
 - 1) verify that the procurement process which was followed complies with the provisions of this document;
 - 2) confirm that the report is complete and addresses all considerations necessary to make a recommendation;
 - 3) confirm the validity and reasonableness of reasons provided for the elimination of tenderers; and
 - 4) consider commercial risks and identify any risks that have been overlooked or fall outside of the scope of the report which warrant investigation prior to taking a final decision; and
 - b) refer the report back to the evaluation committee for their reconsideration or make a recommendation to the authorised person on the award of a tender, with or without conditions, together with reasons for such recommendation.
- 4) The tender committee shall consider proposals regarding the cancellation, amendment, extension or transfer of contracts that have been awarded and make a recommendation to the authorised person on the course of action which should be taken.
- 5) The tender committee shall consider the merits of an unsolicited offer and make a recommendation to the Accounting Officer.
- 6) The tender committee shall report to the Accounting Officer and National Treasury any recommendation made to award a contract to a tenderer other than the tenderer recommended by the evaluation committee, giving reasons for making such a recommendation.
- 7) The tender committee shall not make a recommendation for an award of a contract or order if the recommended tenderer or framework contractor has:
 - a) made a misrepresentation or submitted false documents in competing for the contract or order; or
 - b) been convicted of a corrupt or fraudulent act in competing for any contract during the past five years.
- 8) The tender committee may on justifiable grounds and after following due process, disregard the submission of any tenderer if that tenderer or any of its directors, members or trustees or partners has abused the delivery management system or has committed fraud, corruption or any other improper conduct in relation to such system. The National Treasury and the

Gauteng Provincial Treasury shall be informed where such tenderers are disregarded.

6.1.2 Actions of an authorised person relating to the award of a contract or an order

a) Award of a contract

- 1) The authorised person shall, if the value of the contract inclusive of VAT, is within his or her delegation, consider the report(s) and recommendations of the tender committee, or in the case of the awards for contracts below the quotation threshold, the recommendation of the Head of Department, and either:
 - a) award the contract after confirming that the report is complete and addresses all considerations necessary to make a recommendation and budgetary provisions are in place; or
 - b) decide not to proceed or to start afresh with the process.
- 2) The authorised person shall immediately notify the Accounting Officer if a tender other than the recommended tender is awarded, save where the recommendation is changed to rectify an irregularity. Such person shall, within 10 working days, notify in writing the Auditor-General, the National Treasury and the Gauteng Provincial Treasury, and, in the case of a municipal entity, also the parent municipality, of the reasons for deviating from such recommendation.

b) Issuing of an order

The authorised person shall, if the value of an order issued in terms of a framework contract, is within his or her delegation, consider the resolution of the adjudication committee or the Chief Financial Officer, as relevant, and either:

- 1) authorise the issuing of an order in accordance with the provisions of clause 4.25 of the standard; or
- 2) decide not to proceed or to start afresh with the process.

6.1.3 Conduct of those engaged in infrastructure delivery

a) General requirements

- 1) All personnel and agents of Midvaal Local Municipality shall comply with the requirements of the CIDB Code of Conduct for all Parties engaged in Construction Procurement. They shall:
 - a) behave equitably, honestly and transparently;
 - b) discharge duties and obligations timeously and with integrity;
 - c) comply with all applicable legislation and associated regulations;
 - d) satisfy all relevant requirements established in procurement documents;
 - e) avoid conflicts of interest; and

- f) not maliciously or recklessly injure or attempt to injure the reputation of another party.
- 2) All personnel and agents engaged in Midvaal Local Municipality's infrastructure delivery management system shall:
- a) not perform any duties to unlawfully gain any form of compensation, payment or gratification from any person for themselves or a family member or an associate;
 - b) perform their duties efficiently, effectively and with integrity and may not use their position for private gain or to improperly benefit another person;
 - c) strive to be familiar with and abide by all statutory and other instructions applicable to their duties;
 - d) furnish information in the course of their duties that is complete, true and fair and not intended to mislead;
 - e) ensure that resources are administered responsibly;
 - f) be fair and impartial in the performance of their functions;
 - g) at no time afford any undue preferential treatment to any group or individual or unfairly discriminate against any group or individual;
 - h) not abuse the power vested in them;
 - i) not place themselves under any financial or other obligation to external individuals or firms that might seek to influence them in the performance of their duties;
 - j) assist Midvaal Local Municipality in combating corruption and fraud within the infrastructure procurement and delivery management system;
 - k) not disclose information obtained in connection with a project except when necessary to carry out assigned duties;
 - l) not make false or misleading entries in reports or accounting systems; and
 - m) keep matters of a confidential nature in their possession confidential unless legislation, the performance of duty or the provision of the law require otherwise.
- 3) An employee or agent may not amend or tamper with any submission, tender or contract in any manner whatsoever.

b) Conflicts of interest

- 1) The employees and agents of Midvaal Local Municipality who are connected in any way to procurement and delivery management activities which are subject to this policy, shall:
- a) disclose in writing to the employee of the Midvaal Local Municipality to whom they report, or to the person responsible for managing their contract, if they have, or a family member or associate has, any conflicts of interest; and
 - b) not participate in any activities that might lead to the disclosure of Midvaal Local Municipality proprietary information.
- 2) The employees and agents of Midvaal Local Municipality shall declare and address any perceived or known conflict of interest, indicating the nature of such conflict to whoever is responsible for overseeing the procurement

process at the start of any deliberations relating to a procurement process or as soon as they become aware of such conflict, and abstain from any decisions where such conflict exists or recuse themselves from the procurement process, as appropriate.

- 3) Agents who prepare a part of a procurement document may in exceptional circumstances, where it is in Midvaal Local Municipality's interest to do so, submit a tender for work associated with such documents provided that:
 - a) Midvaal Local Municipality states in the tender data that such an agent is a potential tenderer;
 - b) all the information which was made available to, and the advice provided by that agent which is relevant to the tender, is equally made available to all potential tenderers upon request, if not already included in the scope of work; and
 - c) the procurement documentation committee is satisfied that the procurement document is objective and unbiased having regard to the role and recommendations of that agent.

c) Evaluation of submissions received from respondents and tenderers

- 1) The confidentiality of the outcome of the processes associated with the calling for expressions of interest, quotations or tenders shall be preserved. Those engaged in the evaluation process shall:
 - a) not have any conflict between their duties as an employee or an agent and their private interest;
 - b) may not be influenced by a gift or consideration (including acceptance of hospitality) to show favour or disfavour to any person;
 - c) deal with respondents and tenderers in an equitable and even-handed manner at all times; and
 - d) not use any confidential information obtained for personal gain and may not discuss with, or disclose to outsiders, prices which have been quoted or charged to Midvaal Local Municipality.
- 2) The evaluation process shall be free of conflicts of interest and any perception of bias. Any connections between the employees and agents of Midvaal Local Municipality and a tenderer or respondent shall be disclosed and recorded in the tender evaluation report.
- 3) Midvaal Local Municipality personnel and their agents shall immediately withdraw from participating in any manner whatsoever in a procurement process in which they, or any close family member, partner or associate, has any private or business interest.

d) Non-disclosure agreements

Confidentiality agreements in the form of non-disclosure agreements shall, where appropriate, be entered into with agents and potential contractors to protect Midvaal Local Municipality's confidential information and interests.

e) Gratifications, hospitality and gifts

- 1) The employees and agents of Midvaal Local Municipality shall not, directly or indirectly, accept or agree or offer to accept any gratification from any other person including a commission, whether for the benefit of themselves or for the benefit of another person, as an inducement to improperly influence in any way a procurement process, procedure or decision.
- 2) The employees and agents of Midvaal Local Municipality as well as their family members of associates shall not receive any of the following from any tenderer, respondent or contractor or any potential contractor:
 - I. money, loans, equity, personal favours, benefits or services;
 - II. overseas trips; or
 - III. any gifts or hospitality irrespective of value from tenderers or respondents prior to the conclusion of the processes associated with a call for an expression of interest or a tender.
- 3) The employees and agents of Midvaal Local Municipality shall not purchase any items at artificially low prices from any tenderer, respondent or contractor or any potential contractor at artificially low prices which are not available to the public.
- 4) All employees and agents of Midvaal Local Municipality may for the purpose of fostering inter-personal business relations accept the following:
 - a) meals and entertainment, but excluding the cost of transport and accommodation;
 - b) promotional material of small intrinsic value such as pens, paper-knives, diaries, calendars, etc;
 - c) incidental business hospitality such as business lunches or dinners, which the employee is prepared to reciprocate;
 - d) complimentary tickets to sports meetings and other public events, but excluding the cost of transport and accommodation, provided that such tickets are not of a recurrent nature; and
 - e) gifts in kind other than those listed in a) to d) which have an intrinsic value greater than R350 unless they have declared them to the Accounting Officer.
- 5) Under no circumstances shall gifts be accepted from prospective contractors during the evaluation of calls for expressions of interest, quotations or tenders that could be perceived as undue and improper influence of such processes.
- 6) Employees and agents of Midvaal Local Municipality shall without delay report to the Accounting Officer / Chief Financial Officer any incidences of a

respondent, tenderer or contractor who directly or indirectly offers a gratification to them or any other person to improperly influence in any way a procurement process, procedure or decision.

f) Reporting of breaches

Employees and agents of Midvaal Local Municipality shall promptly report to the Accounting Officer / Chief Financial Officer any alleged improper conduct which they may become aware of, including any alleged fraud or corruption.

6.1.4 Measures to prevent abuse of the infrastructure delivery system

The Accounting Officer / Chief Financial Officer shall investigate all allegations of corruption, improper conduct or failure to comply with the requirements of this policy against an employee or an agent, a contractor or other role player and, where justified:

- 1) take steps against an employee or role player and inform the National Treasury and Gauteng Provincial Treasury of those steps;
- 2) report to the South African Police Service any conduct that may constitute a criminal offence;
- 3) lodge complaints with the Construction Industry Development Board or any other relevant statutory council where a breach of such council's code of conduct or rules of conduct are considered to have been breached;
- 4) cancel a contract if:
 - a) it comes to light that the contractor has made a misrepresentation, submitted falsified documents or has been convicted of a corrupt or fraudulent act in competing for a particular contract or during the execution of that contract; or
 - b) an employee or other role player committed any corrupt or fraudulent act during the tender process or during the execution of that contract.

6.1.5 Awards to persons in the service of the state

- a) Any submissions made by a respondent or tenderer who declares in the Compulsory Declaration that a principal is one of the following shall be rejected:
 - I. a member of any municipal council, any provincial legislature, or the National Assembly or the National Council of Provinces;
 - II. a member of the board of directors of any municipal entity;
 - III. an official of any municipality or municipal entity;
 - IV. an employee of any national or provincial department, national or provincial public entity or constitutional institution within the meaning of the Public Finance Management Act, 1999 (Act No. 1 of 1999);
 - V. a member of the accounting authority of any national or provincial public entity; or
 - VI. an employee of Parliament or a provincial legislature.
- b) The notes to the annual financial statements of the Municipality shall disclose particulars of an award of more than R 2000 to a person who is a family member

of a person identified in 6.1.5.1 or who has been in the previous 12 months. Such notes shall include the name of the person, the capacity in which such person served and the amount of the award.

6.1.6 Collusive tendering

Any submissions made by a respondent or tenderer who fails to declare in the Compulsory Declaration that the tendering entity:

- a) is not associated, linked or involved with any other tendering entity submitting tender offers; or
- b) has not engaged in any prohibited restrictive horizontal practices including consultation, communication, agreement, or arrangement with any competing or potential tendering entity regarding prices, geographical areas in which goods and services will be rendered, approaches to determining prices or pricing parameters, intentions to submit a tender or not, the content of the submission (specification, timing, conditions of contract etc.) or intention to not win a tender shall be rejected.

6.1.7 Placing of contractors under restrictions

- a) If any tenderer which has submitted a tender offer or a contractor which has concluded a contract has, as relevant:
 - 1) withdrawn such tender or quotation after the advertised closing date and time for the receipt of submissions;
 - 2) after having been notified of the acceptance of his tender, failed or refused to commence the contract;
 - 3) had their contract terminated for reasons within their control without reasonable cause;
 - 4) offered, promised or given a bribe in relation to the obtaining or the execution of such contract;
 - 5) acted in a fraudulent, collusive or anti-competitive or improper manner or in bad faith towards Midvaal Local Municipality; or
 - 6) made any incorrect statement in any affidavit or declaration with regard to a preference claimed and is unable to prove to the satisfaction of Midvaal Local Municipality that the statement was made in good faith or reasonable steps were taken to confirm the correctness of the statements,
- b) The Bid Adjudication Committee shall make a recommendation to the Accounting Officer for placing the contractor or any of its principals under restrictions from doing business with the Midvaal Local Municipality.
- c) The Accounting Officer may, as appropriate, upon the receipt of a recommendation made in terms of 6.1.7.1 and after notifying the contractor of such intention in writing and giving written reasons for such action, suspend a contractor or any principal of that contractor from submitting a tender offer to Midvaal Local Municipality for a period of time.

d) The Director: Expenditure shall:

- 1) record the names of those placed under restrictions in an internal register which shall be accessible to employees and agents of Midvaal Local Municipality who are engaged in procurement processes; and
- 2) notify the National Treasury and Gauteng Provincial Treasury and, if relevant, the Construction Industry Development Board, of such decision and provide them with the details associated therewith.

6.1.8 Complaints

- a) All complaints regarding the Midvaal Local Municipality's infrastructure delivery management system shall be addressed to the Accounting officer. Such complaints shall be in writing.
- b) The Assistant Director: PMS shall investigate all complaints regarding the infrastructure procurement and delivery management system and report on actions taken to the Accounting officer who will decide on what action to take.

6.2 Acquisition management

6.2.1 Unsolicited proposal

- a) The Midvaal Local Municipality is not obliged to consider unsolicited offers received outside a normal procurement process but may consider such an offer only if:
 - 1) the goods, services or any combination thereof that is offered is a demonstrably or proven unique innovative concept;
 - 2) proof of ownership of design, manufacturing, intellectual property, copyright or any other proprietary right of ownership or entitlement is vested in the person who made the offer;
 - 3) the offer presents a value proposition which demonstrates a clear, measurable and foreseeable benefit for Midvaal Local Municipality;
 - 4) the offer is in writing and clearly sets out the proposed cost;
 - 5) the person who made the offer is the sole provider of the goods or service; and
 - 6) the accounting officer finds the reasons for not going through a normal tender process to be sound.
- b) The accounting officer may only accept an unsolicited offer and enter into a contract after considering the recommendations of the tender committee if:
 - 1) the intention to consider an unsolicited proposal has been made known in accordance with Section 21A of the Municipal Systems Act of 2000 together with the reasons why such a proposal should not be open to other competitors, an explanation of the potential benefits for the municipality and an invitation to the public or other potential suppliers and providers to submit their comments within 30 days after the notice;

- 2) the Midvaal Local Municipality' has obtained comments and recommendations on the offer from the National Treasury and Gauteng Provincial Treasury;
 - 3) the tender committee meeting which makes recommendations to accept an unsolicited proposal was open to the public and took into account any public comments that were received and any comments and recommendations received from the National Treasury and Gauteng Provincial Treasury; and
 - 4) the provisions of 6.2.2. are complied with.
- c) The accounting officer shall, within 7 working days after the decision to award the unsolicited offer is taken, submit the reasons for rejecting or not following the recommendations to the National Treasury, the Gauteng Provincial Treasury and Auditor General. A contract shall in such circumstances not be entered into or signed within 30 days of such submission.

6.2.2 Tax and rates compliance

a) SARS tax clearance

- 1) No contract may be awarded or an order issued unless a tenderer or contractor is tax compliant provided that the tenderer is not domiciled in the Republic of South Africa and the SARS has confirmed that such a tenderer is not required to prove their tax compliance status.
- 2) In the case of a partnership, each partner shall comply with the requirements of 6.2.2.a).1).
- 3) No payment shall be made to a contractor who does not satisfy the requirements of 6.2.2.a).2). An employee of Midvaal Local Municipality shall upon detecting that a tenderer or contractor is not tax compliant, immediately notify such person of such status.
- 4) Notwithstanding the requirements of 6.2.2.a).1) and 6.2.2.a).3) the following shall apply, unless a person who is not tax compliant indicates to the chief financial officer that it intends challenging its tax compliance status with SARS,
 - a) a contract may be awarded to a non-compliant tenderer if such a tenderer is able to remedy its tax compliance status within a period not exceeding 10 working days after being duly notified of its non-compliant status;
 - b) an order may be awarded to a non-compliant contractor if such a contractor is able to remedy its tax compliance status within a period not exceeding 10 working days after being duly notified of its non-compliant status;
 - c) a non-compliant contractor shall be issued with a first warning that payments in future amounts due in terms of the contract may be withheld, before the authorising of any payment due to such contractor;
 - d) before authorising a further payment due to a non-compliant contractor who has failed to remedy its tax compliance status after

receiving a first warning, a second warning shall be issued to such contractor;

- e) no payments may be released for any amounts due in terms of the contract due to a non-compliant contractor if, after a period of 30 calendar days have lapsed since the second warning was issued, the non-compliant contractor has failed to remedy its tax compliance status.
- 5) The Midvaal Local Municipality may cancel a contract with a non-compliant contractor if such a contractor fails to remedy its tax compliance status after a period of 30 calendar days have lapsed since the second warning was issued in terms of 6.2.2.a.4).e).

International Federation of Consulting Engineers (FIDIC)		
FIDIC Short Form of Contract	Green Book	Building or engineering works of relatively small capital value, or for relatively simple or repetitive work, or for work of short duration. Use for design by employer- or contractor-designed works.

7.1.2 The Midvaal Local Municipality's preapproved templates for Part C1 (Agreements and contract data) of procurement documents shall be utilised to obviate the need for legal review prior to the awarding of a contract. All modifications to the standard templates shall be approved by Chief financial officer prior to being issued for tender purposes.

7.1.3 Disputes arising from the performance of a contract shall be finally settled in a South African court of law.

7.1.4 any additional requirements, if any e.g. use of standard access specifications, health and safety specifications etc, will be added on a case by case basis

7.1.5 The Municipal Declaration and returnable documents contained in the standard shall be included in all tenders for:

- a) consultancy services; and
- b) goods and services or any combination thereof where the total of the prices is expected to exceed R10 m including VAT.

7.2 Developmental procurement policy

7.2.1 General

Municipalities shall utilise procurement to promote Broad-Based Black Economic Empowerment in accordance with the provisions of the Broad-Based Black Economic Empowerment Act and, where appropriate, to promote:

- a) work opportunities for target groups; and
- b) national development goals, such as those identified by the Presidential Infrastructure Coordinating Commission.

Not less than 50% of the points allocated to preference in a points scoring system in the evaluation of tenders shall be allocated to Broad-Based Black Economic Empowerment goals.

Minimum local content shall be included in contracts in accordance with the Preferential Procurement Regulations issued in terms of the Preferential Procurement Policy Framework Act. Requirements shall be evaluated in tenders through declarations made by tenderers and shall be included in the scope of work associated with the contract.

7.2.2 Permitted targeted procurement procedures

The targeted procurement procedures that may be used to promote social and economic objectives shall include one or more of the following:

- a) the granting of preferences;
- b) accelerated rotations on electronic databases, where appropriate;
- c) the granting of up to 10% of the total number of evaluation points used to short-list tenderers following a call for expressions of interest;
- d) financial incentives for the attainment of key performance indicators in the performance of the contract; and
- e) the creation of contractual obligations to engage target groups in the performance of the contract by establishing requirements for the tendering of subcontracts in terms of a specified procedure, or establishing obligations to attain contract participation goals in accordance with the relevant provisions of SANS 10845.

7.3 Payment of contractors

The Midvaal Local Municipality shall settle all accounts within 30 days of invoice or statement as provided for in the contract, once signed off by project manager.

7.4 Approval to utilise specific procurement procedures

7.4.1 Prior approval shall be obtained for the following procurement procedures from the following persons, unless such a procedure is already provided for in the approved procurement strategy:

- a) Tender Committee shall authorise the use of the negotiated procedure above the thresholds provided in the standard.
