ELECTRICITY ASSET VERIFICATION

Midvaal Local Municipality wish to inform its residents that Infratec has been appointed to perform verification of electricity assets within the Midvaal area.

Infratec will be conducting the asset verification on Midvaal's electrical network infrastructure from Monday, 28 March 2022 to Sunday, 30 April 2022. The Verifier will not need access to private properties and the asset verification will not have any impact on the electricity supply to residents.

The typical Infratec vehicles will be clearly marked as per the picture.
