## **BONKGONO KOPANANG**

Our administration is committed to supporting the most vulnerable in our community. Whilst policies are important, they must be followed by a strong implementation programme.

It is a privilege to work with Mamabizela from Savannah City, who through the Mayoral donation, ensured that the community benefits from the Bonkgono Kopanang NGO's operations.

The NPO assists the elderly who are in need of personal care by providing meals, nursing, rehabilitation, social empowerment, and care to them.

Let's be inspired by people like her who encourage others within their communities to be the change they want to see.
