**MIDVAAL PARTNERS WITH WEBA CHUTES AND NUMATA IN HONOUR
OF INTERNATIONAL DAY OF THE GIRL CHILD**

Midvaal Local Municipality has partnered with Weba Chutes and Numata by hosting a Digital Campaign for Girls event to empower young girls to have a better understanding of themselves and the Digital World.

The event was hosted at Rusoord Secondary School located in Ward 4.

Rusoord Secondary is a semi-rural school classified under quintile 1 and mostly caters to learners from disadvantaged backgrounds.

The Digital Campaign for Girls event was a great opportunity for the municipality to strengthen its Public-Private partnership efforts.

The Executive Mayor, Peter Teixeira, MMC Chantal Gomes, representatives from Weba Chutes and Numata, spent the day with the girl learners.

The conversation focused on how they can empower themselves, build self-confidence, and take advantage of opportunities through education as well as Digital awareness and anti-bullying behaviour.

Weba Chutes made a significant donation to the school in the form of fixing the ablution facilities, upgrading the staff room, and donating 550 plates for the learners to use during lunch.

Numata donated a projector to assist teachers to interact with students better and get their lesson objectives across.

We are excited to partner with organizations such as Weba Chutes and Numata which give back to communities.

Although education does not fall under our competency, Midvaal Local Municipality remains committed to actively sourcing partnerships that will support the vulnerable and create a conducive environment for learners to receive their education.

Government alone does not hold the solutions to address the social challenges our communities face, we urge more companies and organizations to do their part.

Yours in Service Excellence, Ald. Peter Teixeira
