**MIDVAAL MAYOR PROMOTES MUNICIPALITY AS PRIME PROPERTY
INVESTMENT HUB AT SAPOA CONVENTION**

Today, Midvaal Executive Mayor, **Alderman Peter Teixeira**, participated in the South African Property Owners Association (SAPOA) Annual Convention & Property Networking event held in Sun City.

This three-day convention serves as a platform for key discussions on industry trends and macroeconomic matters within the property sector. It presents a unique opportunity for fostering investment in the commercial property development space within Midvaal Local Municipality.

Midvaal is open for business and investment opportunities, and our presence at this convention reaffirms our commitment to being at the forefront. We are now positioning ourselves as an investment destination within Gauteng.

Midvaal seeks to collaborate with businesses, industries, and the retail sector to stimulate economic growth within the region.

We are currently reviewing our rates and rebate policies to attract new investments, promote new businesses and create more job opportunities.

Midvaal will also unveil initiatives related to load curtailment and alternative energy sources aimed at mitigating the impact of load shedding, therefore, ensuring the uninterrupted operations of businesses in our area.

Midvaal's rating as the most financially sustainable municipality in the country must translate into a thriving hub for property investment and economic development.

Our participation in events like SAPOA is a testament to our commitment to achieving this goal. We look forward to forging new partnerships and driving progress for our region.

ISSUED BY THE OFFICE OF THE EXECUTIVE MAYOR:

Yours in Service Excellence, Ald. Peter Teixeira
