Temporary Road Closure South Road in Valley Settlements 22 – 26 April 2024

Dear Midvaal Residents,

Notice is hereby given of a planned road reinstatement by paving blocks of a portion of South Road in Valley Settlements. The road crossing reinstatement will affect motorists driving on South Road, however a temporary by-pass with a stop-and-go operation will be in place to divert the traffic from the construction area.

The work is scheduled to start at 07:00 on 22 April 2024 and conclude on 26 April 2024.

We sincerely apologise for the inconvenience this may cause.

Yours in service excellence.
