Planned Water Interruption: Ward 3 18 April 2024

Dear Midvaal Residents,

Notice is hereby given of a planned water interruption for the tie-in of the new UPVC network. The team will try to reduce the affected area by isolating Jean and Villjoen Streets, should this fail, a larger area will be affected.

Areas that may be affected includes:

- Rothdene
- Kookrus

The interruption is scheduled for the 18th April 2024 from 08h00 to 17h00.

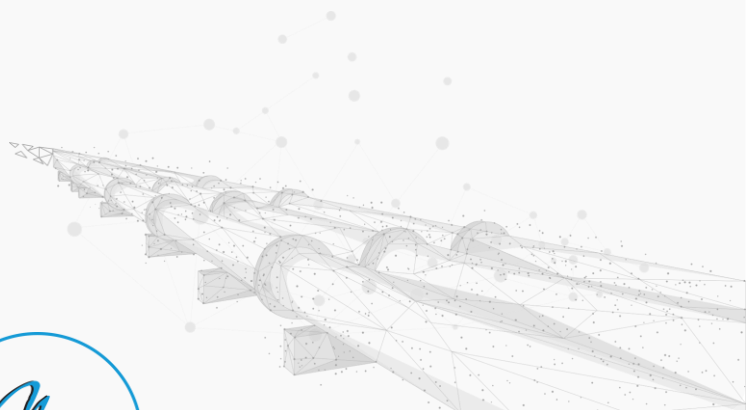

A water tanker will be stationed at OK Rothdene on the day.

We apologise for the inconvenience.

Yours in service excellence,

Original signed
