**9.A.26 [FS]: ASSET REGISTER VERIFICATION AND UPDATING FOR THE 2023/2024
FINANCIAL YEAR**

6/1/2

COMPETENCY: COUNCIL

PURPOSE

To obtain approval for removing assets currently contained in the Fixed Asset Register of Council but that are no longer in use.

RECOMMENDATIONS

1. That the report for removing assets currently contained in the Fixed Asset Register of Council which are redundant and no longer in use, be noted.
2. That the assets listed in Annexures "A", "B", "C" and "D", attached to the report, be disposed of, and removed from the asset register of Council. The total book value of these assets is:

• Annexure A – Redundant assets	R 896 821.91
• Annexure B – Redundant fleet	R 2 186.45
• Annexure C – Weeding of library books	R 2 740.83
• Annexure D – Donations to CPF	R 653 310.72

REPORT

A list of assets, attached to the report as Annexure A, B, C and D must be written off according to section 14(4) of the Municipal Finance Management Act as these items are no longer required to provide the minimum level of basic municipal services. These assets will be stored at a safe place (Randvaal storage facility) until they are sold at public auction in terms of the Supply Chain Management Policy. The total book value of these assets is R 1 555 059.99

Annexure A – Redundant assets	= R 896 821.91
Annexure B – Redundant fleet	= R 2 186.45
Annexure C – Weeding of library books	= R 2 740.83
Annexure D – Donations to CPF	= R 653 310.72

Weeding of library books should take place on a regular basis, to ensure that books which are no longer fit for use by the public libraries are set aside for disposal.

It is recommended that the attached list in Annexure "D" of Two-way radios that have been handed over to the Local Neighbourhood Watch (CPF) be written off from the asset register as they are no longer in the control of the Municipality, they do not meet the definition of an asset as per GRAP standards.

CONCLUSION

Asset management is a critical function of all departments and the assets under the control of the departments must be both maintained and safeguarded to ensure it is available for service delivery.

**COMMENTS: MEETING OF THE MUNICIPAL MANAGER AND HEADS OF
DEPARTMENT: 18 JUNE 2024**

Resolved To Recommend

That the Item be referred to the Section 80 Finance Services Portfolio Committees.

**COMMENTS: SECTION 80 FINANCE SERVICES PORTFOLIO COMMITTEE: 14
JUNE 2024**

The recommendations are supported.
