INVITATION FOR SPORTS STAKEHOLDERS MEETING IN MIDVAAL

The above matter refers.

Sports in Midvaal are currently facing significant challenges, particularly in terms of development, despite having excellent facilities. The main issues include:

- **Underutilization of facilities:** Many available sports facilities are not being fully utilized.
- **Lack of leadership and coordination:** The absence of strong leadership among sports clubs and associations leads to disjointed efforts.
- **Insufficient funding:** There is a notable lack of funding for equipment, coaching, and hosting regular sports events.

These challenges are contributing to the poor state of sports development programs in Midvaal.

Engagement with Stakeholders

In response to these challenges, the Sports, Arts, Culture, and Recreation Department in Gauteng Province has recognized the importance of collaboration. They have decided to invite all sports stakeholders across the district to address these issues. Meetings have been organized according to local municipalities, with Midvaal Local Municipality being the first to host these discussions.

Purpose of the Meeting is to assist Midvaal in formulating or reviving the sport council, ensuring that all sporting codes comply and participate in structured sporting activities as well as information sharing

The details of the meeting are as follows:

Date: 16 March 2025
Venue: Meyerton Town Hall
Time: 14h00
