REGISTRATION PERIOD FOR UNREGISTERED ALTERNATIVE ENERGY/ELECTRICITY GENERATION INSTALLATIONS: REGISTRATION FORMS NOW AVAILABLE ONLINE

Dear Midvaal Residents,

As previously communicated, residents, businesses, and industries are reminded of the registration period for alternative energy/electricity systems (including solar PV), running from **1 September to 30 December 2025**. A **50% discounted application fee** of **R969.11** remains applicable during this period.

- To simplify the process, Midvaal Local Municipality has introduced an **online registration option**. Applications may now be conveniently completed online by visiting [SSEG Registration](#).
- Once completed, online application forms may be submitted via email to **NqobaniN@midvaal.gov.za** and **mphoym@midvaal.gov.za**.

The Municipality encourages all customers to make use of this window period to ensure compliance and to avoid penalties for unregistered systems after the closing date.
